

# CROSS-SCC Replication Workshop

A session for fostering replication and upscaling of Smart City Solutions among the SCC1 Community

28<sup>th</sup> September, 2018  
Stavanger, Norway

The Smart Cities and Communities lighthouse projects are funded by the European Commission Research and Innovation Framework Horizon 2020 and managed by the Innovation and Networks Executive Agency INEA.

# Workshop Details

**Aim:** Facilitating knowledge sharing among the SCC01 community to enable procurement and implementation of Smart City Solutions.

**Target Group:** Every SCC01 city planning to procure Smart City Solutions – including Lighthouse Cities, Follower Cities, City Interest Group (Observer Cities)

**Date:** 28<sup>th</sup> September 2018, 8:30 to 14:00 @ Stavanger Forum

**Organiser:** Replication Task group in collaboration with INEA and EC, as a follow up event to the Follower City Workshop organized by INEA on 26<sup>th</sup> January 2018.

**Structure:** The event will have two rounds of round table sessions where municipal representatives and their partners would present best practices for the topic under discussion. The participating cities could then have a discussion on barriers they face and how they can be resolved.

**Registration Link:** <https://goo.gl/forms/pv6cLI5YR3bpXwLW2>

**Deadline:** 26<sup>th</sup> August 2018
